

Geography: Section 1

Air Pollution: Background Information

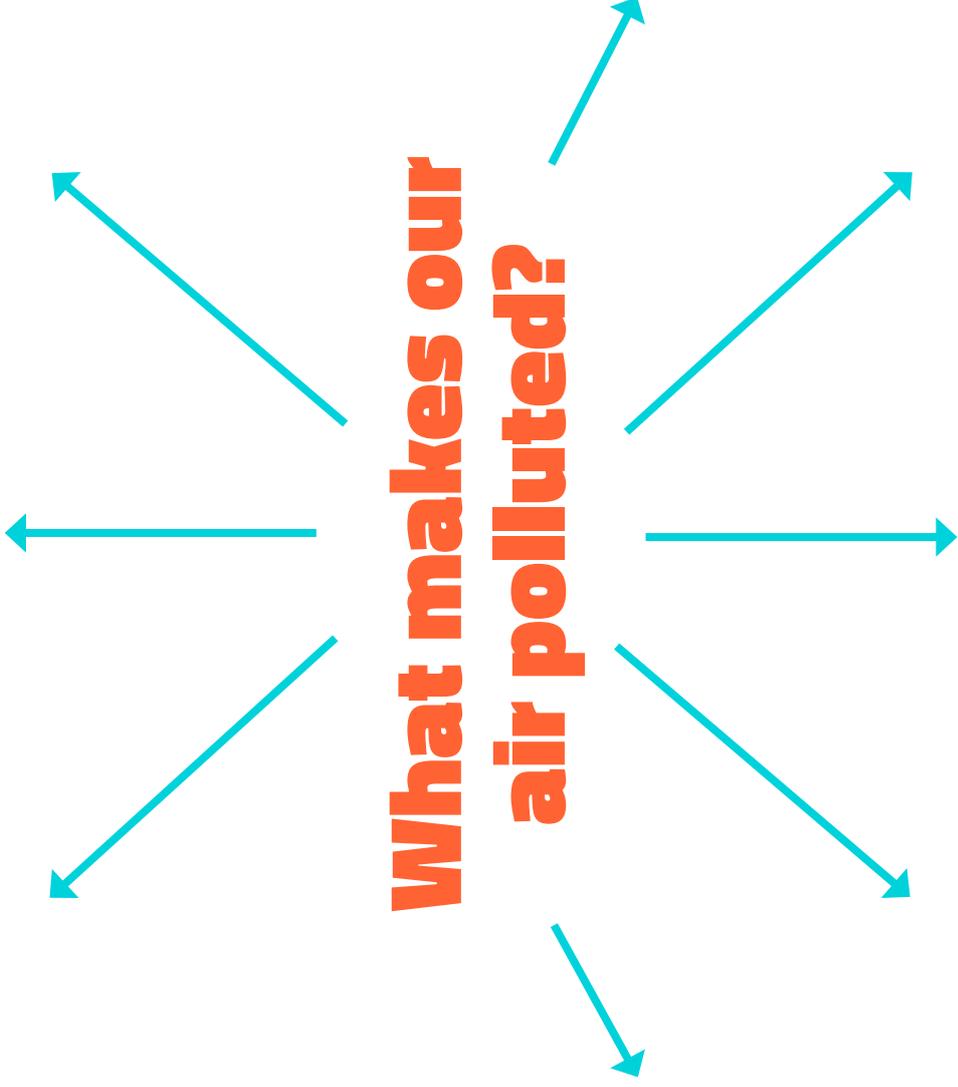

Activity One

Note down any words, images or sounds that come to mind when you think about Air Pollution or Air Quality. Think back to what you saw in the video clip and the website.

Activity Two

Complete the diagram below to identify the nine factors that can affect air quality.

Activity Three

In your own words, write a short paragraph to describe what air pollution is. Use the words in the word bank to help you.

environment contaminated animals gasses humans
atmosphere fumes odour harmful dust particles

A large, empty rectangular box with a teal border, intended for the student to write their paragraph about air pollution.
