

## Geography: Section 1 - Homework

# Air Pollution: Background Information

### Activity One

In lesson one you identified the main sources of air pollution. In the space below, create your own poster telling other people what causes air pollution.

Your poster must have the following:

- A title to tell people what your poster is about
- All the causes of pollution have been identified from Lesson 1
- Be neat, easy to read and have no spelling mistakes
- There must be words and pictures to show people what the nine causes are
