

## Geography Section 5: Activity Sheet

# Solutions: Tackling Air Pollution

### Activity One

For one week, complete the diary below to help check whether you are living a lifestyle that now helps to reduce air pollution

Activity/Day	Monday		Tuesday		Wednesday		Thursday		Friday		Saturday		Sunday	
	YES	NO	YES	NO	YES	NO	YES	NO	YES	NO	YES	NO	YES	NO
I walked or cycled instead of the car														
I switched off electrical items when I was not using them e.g. lights, TV, computer														
I told someone about air pollution														
I helped look after a green space														

### Activity Two

If you were to tell another person about the importance of learning about and tackling air pollution, what 3 things would you tell them? Think about what you have learned yourself during this project.
